

DO NOT PURCHASE PRODUCTS OF NEFFUL INTERNATIONAL FROM UNRELIABLE CHANNELS

There have been cases of unauthorized marketing activities of Nefful International products discovered recently. The Company reminds all partners to make purchases of our products through reliable channels such as our branch offices, NIShop and distributors of Nefful International. Purchases made through reliable channels ensure the authenticity of the products and excellent after-sales service.

Nefful International did not authorize any ecommerce platform and/or allow distributors to market products of Nefful International through online shopping platforms as well as use of the Company's registered trademarks. Unauthorized use of the Company's registered trademarks and all other marketing materials shall constitute an infringement of the Company's intellectual property rights.

To protect your own interests, you are advised strongly not to make purchases through unreliable channels. Your support is our motivation!

Thank you.
