

BOOST YOUR POWER OF COMMUNICATION AND INFLUENCE LIVE BROADCAST SEMINAR

“The deepest principle in human nature is the craving to be appreciated.” quoted by William James, American philosopher and psychologist.

Have you ever wondered how should communication be carried through effectively in this era where communication techniques and interpersonal communication is critical? How do you choose the words correctly so that you can connect with others better?

In this series of seminar, we shall learn how to establish self-communication, strong communication techniques, improve on giving compliments to build relationship. We shall also learn the techniques on emotion management, crisis management and etc. You will get to experience enhanced learning with integration of theory and applied practice, which will help you to excel to the next level in your business management.

The seminar will be conducted in Mandarin, with English interpretation provided. For the instructions on English interpretation, please click [here](#) . See you online!
